

During 2016-17 11 students accessed NOCN units within the Personal Progress Programme Entry Level 1.

Within this the units covered were

- Developing skills for the workplace – this was delivered within individual work experience programmes (5 students)
- Engaging in the world around us- this was delivered through accessing activities onsite (1 student)
- Going places- this was delivered through community trips delivered through class and residential settings (3 students)
- Number- this was delivered through practical class activities and off site real life learning (2 students)
