Examination Results

2017-18

Overview:

2017/18 was a second successive record breaking year for the school. There was further national uncertainty in GCSE results this year due to the implementation of GCSE reforms, including a new grading system for many GCSEs.

Students this year, were graded on a 9-1 scale (9 being the highest) for reformed GCSEs, whilst retaining the A*-G scale (A* being the highest) for all other GCSEs.

Of the 34 GCSEs taken by 19 young people in 11 different subjects (the tables below combine English Language and Literature) every single one was passed and 74% of them were awarded a grade 4+/C+ which is outstanding.
