

Ecclesbourne Lodge

Celebrating Achievement

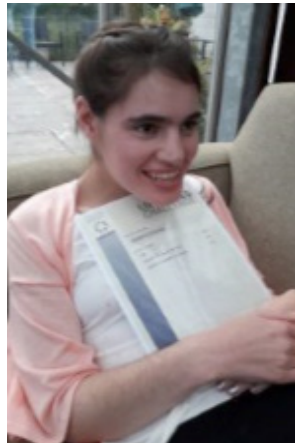

Based in Derbyshire, Ecclesbourne Lodge is home for up to 10 adults, across two separate houses. We aim to enable residents to move forward in developing essential life skills. We have an Independent Life Skills programme which provides scope for progression as residents learn through practice everyday tasks.

Graduation Celebrations

We held our first Graduation Day to celebrate the achievements of the young adults who have all progressed through the homes accredited ASDAN programme. Young people worked through units, set at their level, in subjects including life skills, community based learning, sensory awareness and cooking activities.

Family and friends came to Ecclesbourne Plant Centre and Tea Room to help celebrate and enjoy music and food after the awards ceremony.

Jo Walker, Registered Manager said "Today has been one of the most amazing and emotional days in the history of Ecclesbourne Lodge. I am so proud of all the young adults who have achieved awards today and would like to give a special thanks to Dawn Baker for her outstanding work in helping our young people achieve these milestones and Lucy Vickers for helping organise such an amazing event".

Summer Festival 2018

Ecclesbourne Lodge hold a number of events through the year, inviting residents and young people from across the other group service, their families and members of the community. Below are photos of this year's summer festival.
