

Pegasus School

Our year in pictures

On behalf of the young people, staff and myself as Headteacher, I would like to share this year's journey at Pegasus School with you.

At Pegasus School you will find a skilled team of staff that are highly committed in providing the best experiences for our young people.

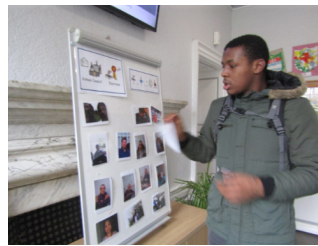

Our young people flourish, showing us daily how amazing they all are! The learning environment is exciting and allows our young people to engage, enjoy and develop knowledge about themselves and the world around them. Young people feel they are part of a team and contribute positively in their home and their classrooms.

The young people at Pegasus set an example to all of us with their resilience and determination during each day. As the Head teacher I feel extremely privileged to be working at Pegasus, we support our young people, and one another to be the best that we can be every day. Staff work tirelessly to provide each young person with an individualised curriculum which engages, motivates and fosters the love of learning and trying new things.

I have enjoyed reminiscing over the last year's journey, and I hope that you enjoy the photographs as much as the young people enjoyed their activities.

We warmly invite you to visit Pegasus in the future.

We had School Council Elections, this was a very serious day! Students enjoyed showing off their skills in order to get the votes in!

“Pupils learn to overcome their anxieties and to focus on the meaningful tasks and activities provided for them. Many pupils develop commendable independence and the ability to make choices and decisions for themselves.”

Ofsted Education June 2018
