Equality Act 2010

SENAD and its Schools/Homes will make reasonable adjustments to accommodate complainants to ensure they have access to this policy. If a complainant requires a modification to this policy, this should be raised so that the School/Home may make reasonable adjustments. Such changes will be documented.

The number of complaints received by each school is set out at the end of this policy.

Aims

SENAD through its Schools aims to provide a happy, safe and caring environment that will enable the young people to learn and communicate with confidence. This complaint’s policy is designed to allow parents (and others) to raise issues of concern/complaint with the School as set out in *“The Education (Independent School Standards) Regulations 2014”* and *“The Independent School Standards Wales Regulations 2003 as amended”*.

However there may be times when a young person, their parents/guardians or any other person who comes into contact with the school/home may

¹ Regulation 33b (England) and Regulation 7b (Wales) – Education and for Social Care, Regulation 39(1) England and Regulation 64(1) Wales.

wish to make a complaint about any aspect of the school or care home. We encourage comments from all, so that we may improve the service we deliver. We acknowledge that complaints do occur and respect those who do complain or comment and we seek to respond in a positive and open manner. There are **no** restrictions on the issues that a student or adult can make a complaint about.

This policy meets:

Part 7 of the *Education (Independent Schools Standards) Regulations 2014*²

Part 7 of the *Independent Schools Standards Wales Regulations 2003*³

Regulation 39 of The Children’s Homes (England) Regulations 2015

Regulation 64 Regulated Services (Service Providers and Responsible Individuals) (Wales) Regulations 2017

SENAD’s schools and their associated children’s homes operate within the guidelines set out in the Quality Standards for Children’s Homes, which promote good practice, and the Independent School Registration Regulations. **This policy is the formal written complaints procedure for the School and the Children’s home**⁴

The policy will be available to young people, parents and any interested person⁵ at individual establishments or through SENAD, head office.

Complaints will be managed within the timeframes set out in this through the 5 stages of complaints resolution.

How complaints are received

All complaints by parents/guardians, students or any other person are to be made to a member of the School or Care Home’s staff and will be recorded as a concern and passed to a member of the management team (education, care and therapy) for response. **A complainant may contact our regulator Ofsted in England and in Wales, CIW/Estyn, directly at any time if they so wish (see contact numbers later).**

A **central register** is kept in the school and children’s home of all complaints made and monitored regularly by the School’s Senior Leadership Team.

² Regulation 33a (England)

³ Regulation 7a (Wales)

⁴ Regulation 33a (England) and Regulation 7b (Wales)

⁵ Regulation 33b (England) and Regulation 7a (Wales)

The Senior Leadership Team decides who is best placed to investigate the complaint and that person act without bias.

Any person is entitled to make a complaint about any aspect of the School/Children's Home or their experiences of it. This includes people who are not directly involved with the School/Home (e.g. members of the public, independent advocates etc). Their complaints or representations should initially be taken by the staff in the School Office or with a School/Home⁶ manager and then they should proceed according to the procedures detailed in the following advice.

Young people may have difficulties with speech, language and communication. Therefore making a complaint may be a difficult task for them to manage themselves. Anyone reviewing a complaint from a young person or advocating on their behalf should take account of these difficulties and employ communication strategies suited to the young person's needs.

When a person needs to register a major complaint or representation, the member staff who has worked with the person or parent making a complaint will contact a member of the Senior Leadership Team at the earliest opportunity (normally within 24 hours).

The Senior Leadership Team will consider the content of the complaint and decide on action to be taken. **Where a complaint involves Child Protection issues then the Child Protection officer who is a member of the Senior Leadership Team will be responsible for informing the Local Safeguarding Board and placing authority, including notifications to Ofsted or Adult Protection Services within 24 hours of receiving the complaint.**

When a young person wants to make a minor complaint about any aspect of school/home, this should be dealt with by talking to the key care worker, tutor, Speech & Language Therapist (SLT), Head of Care, or, indeed, any staff member in the school. All staff have a duty of care to the young people, and should be an advocate for the young person.

Examples of (but not limited to) minor complaints are:

- A person is unhappy with the food that s/he has been served
- A person is unhappy with the variety of after-school activities that are offered
- A person feels that the pillows that are offered are too lumpy
- That the classroom is too hot/cold/bright/dark

⁶ Home in this policy means Children's Home registered with Ofsted or in Wales, CIW

- The child's bedroom has not been decorated correctly
- The soft play area is not accessible at an agreed time for the young person

If the complaint is of a more serious nature it will be acted upon by a member of the Senior Leadership Team according to the procedures that follow. The person making a complaint also has access to outside advice and this right should be made aware to the person making a complaint by the person they are making the complaint to.

Examples of more prima facie more serious complaints (these which should be referred to the Senior Leadership Team without undue delay) are:

- A student/resident or their representative believes themselves to be the target for bullying by his/her peers
- A student/resident or their representative believes themselves to be the subject of abuse or bullying by any adult (including their home setting)
- A person feels that the content of a lesson or activity in which they were present (or had evidence of) was not fully matched to the need of a student
- A member of staff fails to deliver a promised commitment to a parent/child/external professional

At all stages it must be made clear to the person making a complaint that there will be no reprisals against them as a result of making a complaint.

At all stages complaints should be made in confidential surroundings and the privacy and dignity of the complainant should be protected.

A child, young person who raises a complaint or representation **will not be subject to any criticism or sanction for raising the complaint**⁷.

Where a child's complaint is found to be malicious, this will be addressed with parents and social workers and not through the school/home's consequences policy.

⁷ Regulation 39(4) Children's Homes (England) Regulations 2015

The Five Stages: Procedures for resolving complaints and timescales⁸

Complaints and concerns received by staff will be acted upon by that member of staff or passed on to the relevant staff for action. In either case appropriate 'Concern' form (or equivalent) needs to be completed and the complaint recorded in the School/Home complaint book.

There are five (5) possible stages to the complaints procedure as follows:

1) Informal stage⁹: discussion between the complainant and a member of the School's staff. This is may be a minor complaint and one which can be dealt with very quickly by the member of staff concerned. This is typically done within 5 working days.

2) Formal stage¹⁰: if the complainant is not satisfied, he or she can put their complaints in writing to the School or Home manager who will inform the Senior Leadership Team, who will nominate a member of staff to investigate the complaint. **The person will not be the subject of the complaint, unless it is appropriate as determined by the Head Teacher or Registered Manager¹¹.**

Within 10 school days the nominated member of the Senior Leadership Team must either inform the complainant of a decision, or tell the complainant when a decision will be made.

This stage will have included consultation with the person making a complaint.

Once the complaint or representation has been resolved the nominated member of the Senior Leadership Team will write to the person making a complaint, to outline the resolution.

Where a complaint or representation takes longer than 10 school days to resolve, records showing ongoing communication with the person making a complaint should be filed with the original complaint.

3) Reconciliation stage: if the complainant remains dissatisfied, the Head Teacher/Principal must try to resolve the matter. Within 10 school days, the Head Teacher/Principal must either inform the complainant of a decision, or tell the complainant when a decision will be made.

⁸ Regulation 33c (England), Regulation 7c (Wales) - education

⁹ Regulation 33d (England), Regulation 7d (Wales) - education

¹⁰ Regulation 33e (England), Regulation 7e (Wales) - education

¹¹ Regulation 39(2) Children's Homes (England) Regulations 2015

4) Proprietor non-hearing stage: if the complainant remains dissatisfied, the head of establishment will refer the issue to SENAD, the proprietor¹².

A senior manager from SENAD will seek to resolve the complaint within 10 school days, or if this will take longer, inform the complainant when a decision will be made.

If the complaint is not resolved as this stage, then the complainant will be offered a 3-person panel¹³ hearing under stage 5.

The SENAD senior manager may choose to bypass this stage and move straight to a 3-person panel hearing under stage 5.

5) Hearing Panel stage: if the complainants wish the matter to be considered further, a hearing before a panel of at least 3 people who were not directly involved in previous determination of stages 1, 2 or 3 of the complaint will be arranged (regulation 33e). The panel will be held in accordance with Part 7 of the *Education (Independent Schools Standards) Regulations 2014* or *Independent Schools Standards Wales 2003*. To that end:

- a) SENAD as the proprietor is responsible for the appointment of the panel (regulation 33f – England, 7f Wales)
- b) One person on the panel will be independent¹⁴ of the management and running of the establishment (that is the school's day-to-day running or the Director group at SENAD). Typically, SENAD will seek all panel members to be independent of the School/Home. (Regulation 33g – England, 7g Wales)
- c) The complainant may attend the panel, and if so wished be accompanied, with all costs for attendance being for the complainant's sole account (regulation 33h – England, 7h Wales). Reasonable adjustments will be made under the expectations of the Equality Act 2010.
- d) The panel's chair will agree typically within 10 school working days of receiving the appeal to panel, a hearing date with the complainant, subject to the complainant being contactable.
- e) This hearing date will typically be within 28 school days of the date of appeal unless Safeguarding requirements necessitate that the complaints procedure is suspended until a Safeguarding matter is resolved. Once resolved, the complaints

¹² Regulation 33f (England)), Regulation 7f (Wales)

¹³ Regulation 33e (England), Regulation 7e (Wales)

¹⁴ Typically will be SENAD staff drawn from the central team or other SENAD schools

procedure timetable will restart from the time it was suspended.

- f) The panel will hear the complaint and make its findings known to the complainant in writing (by way of letter or email), and where relevant the person the person complained about, typically within with 10 school working days. (regulation 33i England, 7i Wales)
- g) The findings and recommendations are available for inspection on the school premises by the proprietor and the Head Teacher. (regulation 33i England, 7i Wales)
- h) All the complaints, the outcomes and actions taken will be recorded in the settings complaint register and made available for inspection on the school premises by the proprietor, head teacher and regulatory authorities. They will indicate whether the complaint was resolved at the preliminary stage or preceded to a panel hearing. (regulation 33j England, 7j Wales)
- i) Complaint records will be stored confidentially. They will also be made available to Ofsted or in Wales, Estyn and the Secretary of State. (regulation 33k England, 7k Wales)
- j) The SENAD panel's decision is final.

Complainants may then raise the issue with the School's regulator the DfE/Welsh Government or the Children's Home's regulator, Ofsted or Estyn (Wales) or CIW (Wales). This will be set out in the decision letter.

Staff complaints about other staff practice/conduct

Complaints from staff about other staff (i.e. grievances) will be managed through the staff complaints and grievance procedure set out in the staff handbook.

Where it is an **issue of conduct that may affect the welfare of a child, then the safeguarding policy 506.1XXX** (where XXX is the school specific policy) **will be used**. Where a referral is made to safeguarding, then the process may be paused until any safeguarding issues are dealt with.

Once this process is completed, the complaint may then be referred back to the staff conduct procedures (disciplinary and/or grievance).

Minor complaints

Minor complaints and representations made by young people and parents in social care must be logged in **The Complaints Book** kept on the Residential Houses with a record of how they have been addressed.

All entries should be signed and dated by the member of staff addressing the complaint. The Complaints Book should be kept in a locked cupboard when not in use. The central log of complaints kept for formal complaints also provides a central record of all minor complaints as well.

For non-resident young people and their parents minor complaints and representations can be made to the tutor team- teacher/SLT/Learning Support Assistant (LSA). These will be dealt with in the same manner as above, by completing **The Complaints Book**. This book will be kept in a secure place designated by the Head Teacher.

The Senior Leadership Team will review the contents of the Complaints Books on a regular basis. Where there are inaccuracies or discrepancies discovered the Senior Leadership Team, this will be investigated for the cause of the inaccuracies or discrepancies.

More serious complaints and representations should be addressed to, and will be acted upon by, the Senior Leadership Team.

These will be made and recorded using the establishments' formal documentation. **NB It is not generally expected that a young person will complete documentation.**

An adult advocate is available to do this for them. However where a young person particularly wishes to complete their own documentation, they should be provided with the appropriate documentation

Examples of serious complaints may be:

- A person believes that a member of staff has abused their position with students – **THIS IS SAFEGUARDING!**
- A person believes that an act of abuse (in whatever form) has been perpetrated by a staff member – **THIS IS SAFEGUARDING!**

Where an issue of safeguarding is raised, then SENAD or the School/Home will raise the issue through the safeguarding policy first, before addressing the complaint.
