Aran Hall School Attendance Policy for Day Pupils

1. Mission statement

Aran Hall School is committed to providing a full and efficient education to all pupils and embraces the concept of equal opportunities for all.

We will provide an environment where all pupils feel valued and welcomed and are committed to the fundamental principle that early intervention and partnership working is crucial in ensuring the attendance, protection and wellbeing of all children.

The school will follow the All Wales Child Safeguarding procedures and local protocols in relation to specific and identifiable wellbeing issues that prevent a child from accessing education, or where there are safeguarding concerns.

For a pupil to reach their full educational achievement, a high level of school attendance is essential. We will consistently work towards a goal of 100% attendance for all pupils. Every opportunity will be used to convey to pupils and their parents or carers the importance of regular and punctual attendance.

School attendance is subject to education law and guidance and our school attendance policy is written to reflect this legislation and the guidance produced by the Welsh Government.

The legislation makes provision for a school day which is to be divided into two sessions with a lunch break in the middle and to be available for 190 days in any school year.

The school will review its systems for improving attendance on an annual basis to ensure that it is achieving its set goals and targets as identified by the Governors, local authority, Central South Consortium and the Welsh Government.

This policy will contain the procedures that the school will use to work towards meeting its attendance targets, as set by the local authority.

2. Promoting attendance

The foundation for good attendance is a strong partnership between the school, parents, carers and pupils.

We will ensure that our pupils are made aware of the importance of good attendance and how this will benefit them, both now and in the future; we will offer reward schemes for individual learners, classes and year groups who have high levels of school attendance, no unauthorised absence and/or have shown to significantly improve their attendance rates.

We will use a variety of strategies to intervene at an early stage to encourage improved attendance of individual pupils and assist to overcome any barriers that may be preventing the expected level of attendance. These strategies may be school-based, or may be implemented jointly with other partners to ensure the most appropriate support for the individual and their family.

The home school agreement will contain details of how we will work with parents and carers and our expectations of what they will need to do to ensure pupils' achieve good attendance. These expectations and potential consequences of not meeting the expectations will be regularly communicated to parents throughout the academic year in various ways such as text messages, the school website, newsletters and at parents' evenings.

3. School procedures

Any pupil who is absent from school at the morning or afternoon registration period will have their absence recorded as being authorised, unauthorised or as an approved educational activity (attendance out of school). Only the class teacher, Head of Learning or Principal can authorise absence.

If there is no known reason for the absence at registration, then the absence will be recorded in the first instance as unexplained (N code) and promptly followed up by the school as part of its early intervention and safeguarding strategies. **This will be in the form of a text message, telephone call or letter to the parent or carer to enquire about the whereabouts of the pupil.** If no reason is given by the end of 10 school days or the reason given is not reasonable, the pupil will be recorded as an unauthorised absence (O code).

The coding for any absences will be in accordance with the guidance provided by the Welsh Government's All Wales Attendance Framework as in Appendix 1.

4. Punctuality

Morning registration will take place at the start of school at 9.30am. The registers will remain open for a maximum of 30 minutes from this start time, in accordance with Welsh Government guidance. Any pupil arriving after this time will be marked as having an unauthorised absence (U code) unless there is an acceptable explanation i.e. school transport was delayed. In addition, where the absence at registration was for attending an early morning medical appointment, the appropriate authorised absence code will be entered (M code in this instance).

Pupils arriving after the start of school but before the end of the 30-minute registration period will be coded as late (L code).

Afternoon registration will be at 1.30pm and any pupil arriving after this time will be marked as present but late (L code) if they arrive within 30 minutes or an unauthorised absence (U Code) if they arrive more than 30 minutes after the start of the afternoon session.

In the event of three late arrivals, the school will contact the parent/ carer to inform them of the impact on their child's attendance and subsequent attainment. Should the pupil continue to arrive late for registration after parent/ carer have been contacted, the school will issue a letter inviting the parent or carer to a meeting to discuss the barriers that are preventing punctual arrival and offer support where appropriate. Following this meeting, if the pupil is late again, parents and carers will be invited to a meeting with the class teacher, Principal or Head of Learning to discuss the matter and possibly take further action.

Parents and carers are reminded that the local authority may issue a fixed penalty notice for persistent lateness after the close of the register in accordance with the local authority's Code of Conduct for the Issuing of Fixed penalty Notice for Non-School Attendance, if the number of unauthorised absences or lates (O or U codes) is 10 sessions or greater in the current term.

Punctuality is an important part of our school's Achieve! programme, where we seek to promote positive habits and reward good behaviours. Pupils who are late to school are at risk of not gaining all of their Achieve! points for one (or more sessions). For example, Achieve! skill point 1 is written around arriving on time for the lesson and settling to work; skill point 2 assesses the amount of work completed – pupils who are late may not have adequate time to complete their work, and may be affected in 2 or more skill point areas.

5. First day absence

Parents and carers are reminded that they should contact the school by 9:15am if their child is not able to attend school on that day. Parents and carers must state the **full** reason for the

child's non-attendance (not just "feeling unwell") and indicate the likely date they will return to school. Parents should be prepared for the members of school staff to ask questions about the pupil's condition, the patterns or trends in their absences and any treatment they may be receiving.

If a parent or carer does not contact the school, staff will endeavour to ascertain the specific reason for non-attendance as soon as possible on the first day of absence, after both morning and afternoon registration. This may include a telephone call, texting service, a home visit. Once the specific information is received, the register will be amended to reflect the appropriate absence code (see Appendix 1 for the types of code).

6. Absence notes and supporting evidence

Notes received from parents explaining the reason for the absence will be kept on file in line with school retention policies. Parents and carers are aware that only the Principal or their representative (class teacher or Head of Learning) can authorise an absence and that further information such as a letter from a GP or consultant may be required to support reasons given for absence.

7. Medical and illness absences

The school appreciates that there are times a pupil has to attend a medical appointment during the school day. In these instances, a copy of the hospital appointment letter should be provided to the school **prior** to appointment date to inform the school of the set scheduled time. This, however, does not apply to routine GP or dental appointments, which can and should be arranged for times outside of the school day.

If a pupil is repeatedly absent due to illness, the school may request supporting evidence that the pupil is receiving the necessary medical treatment. An appointment card, consultant letter, photograph of prescription medication, would all suffice as medical evidence. Without the necessary evidence, the school may notify the parent or carer that all future absences will be unauthorised until the necessary medical evidence has been provided, and a referral to the Education Welfare Service may be made.

8. Continuing and frequent absence

Within the school it is the responsibility of the class teacher to be aware of and bring attention to the Principal or Head of Learning any emerging attendance concerns.

In cases where a pupil begins to develop a pattern of absences, the school will try to resolve the problem as soon as possible. This may involve inviting the parents or carers and the pupil into school for a meeting. However, should this absence persist a referral will be made to the Education Welfare Service when the attendance drops below 90% for the preceding six school weeks.

For unauthorised absences of 10 sessions or more in a school term (there are two sessions in a day, morning and afternoon), the local authority may issue a fixed penalty notice in accordance with the local authority's Code of Conduct.

9. Persistent absence

Welsh Government defines persistent absence as pupils whose absence level is more than 10% (less than 90% attendance). These pupils will be subject to an action plan to support their return to full attendance.

If the pupil and family does not engage with the action plan, court action may be taken against the main parent(s) or carer(s) via the Attendance and Wellbeing Service.

10. Absence related to discrimination

A pupil's absence from school may be due to bullying, which can take many forms and can be direct (either physical or verbal) or indirect, for example, ignoring a pupil or not talking to them. Some of this bullying may be discriminatory.

As a school, we will monitor and report all discriminatory incidents each term and if the reason for a pupil's absence is related to any of the above issues, we will take action to deal with the situation.

11. Leave of absence/holidays in term time

Leave of absence during term time is actively discouraged as it negatively impacts on the pupil's ability to engage with the full curriculum. Parents and carers do not have the automatic right to withdraw their children from school for a family holiday and will be reminded of the effect that absence can have on a pupil's potential achievement.

The school will consider any application for leave of absence; parents and carers must apply in advance for permission for their child to have leave of absence (four weeks minimum notice for a family holiday). Forms to request a leave of absence can be obtained from the school. The Principal or Head of Learning will consider the request and respond in writing within 5 school days to inform the parent or carer whether the request has been authorised. Subsequently, a parent or carer can make an informed decision whether they wish to pursue the absence in the knowledge of any potential consequences.

Parents and carers are advised that a fixed penalty notice may be issued by the local authority when permission for a holiday or leave of absence has not been authorised by the school. The local authority's Code of Conduct for Issuing Fixed Penalty Notices can be obtained from the school, the local authority's website or the Education Welfare Service.

12. Fixed Penalty Notices for Non-Attendance at School

The school may request the local authority to issue a fixed penalty notice where a parent/carers has failed to secure their child's regular attendance at school. A penalty notice can be requested against one of following five criteria:

1. Where there is a minimum of 10 unauthorised sessions (5 school days) in the current term (these do not need to be consecutive) which may or may not include pupils who are persistently arriving after the close of the registration period (Recommended that registers be kept open for thirty minutes);
2. Where a parent(s)/carer(s) refuses to engage with a school in the interest of improving their child's school attendance levels;
3. Where a pupil is repeatedly caught truanting in public places during school hours (Police can request a penalty notice be issued for this offence);
4. Where a holiday in term time has been requested but has been unauthorised.

To comply with [The Education \(Penalty Notices\) \(Wales\) Regulations 2013](#), Aran Hall School will operate in accordance with the local authority's Code of Conduct for fixed penalty notices for regular non-attendance at school. It remains the discretion of the Principal to authorise absences in line with The Education (Pupil Registration) (Wales) Regulations 2010 attendance codes and supplementary guidance provided by the local authority.

Each pupil's absence will be considered on its own merits and if appropriate, a fixed penalty notice may be requested to encourage improved future attendance. If a pupil's attendance is significantly low, a referral to the Education Welfare Service may be considered as an alternative to requesting a penalty notice.

13. Reintegration

The school will welcome back all pupils on return from an absence. This will include ensuring that the pupil is helped to catch up on missed work and brought up to date on any information that has been passed to the other pupils.

If the pupil has been absent for a considerable period of time, a reintegration plan will be introduced tailored to the needs of the individual.

14. Roles and responsibilities

Aran Hall School is aware that ensuring regular school attendance is a demanding area of work that depends on establishing and utilising close working relationships between parents, pupils, schools, the local authority and other professionals who work with children.

A key part of any successful working relationship is a clear understanding of each person's role and responsibilities, and as such the following sets out to clarify the roles and responsibilities for those people engaged with tackling absence issues.

14.1 The Parent/Carer

Under section 7 of the Education Act 1996, the parent/carers is responsible for ensuring that their child of compulsory school age receives efficient full-time education that is suitable to their child's age, ability and aptitude and to any special educational needs the child may have. This can be by regular attendance at school, alternative provision or by elective home education (the parent can choose to provide education for their child).

A pupil's punctuality is also a legal requirement and parents/carers of a pupil who is persistently late (after the close of the register) can also face legal proceedings. Sometimes, there are situations at home that may make it difficult for a pupil to arrive on time and as such due consideration is given to any help or assistance a family may need in these circumstances.

14.2 The School

Schools are required under the Education (Pupil Registration) (Wales) Regulations 2010 to take an attendance register twice a day; at the **start** of the morning session and once during the afternoon session. The accuracy of the register is important in order to support any statutory interventions that may be required. It should be noted that it is an offence not to maintain accurate registers.

The school has the responsibility to monitor individual attendance rates at least weekly and use their own intervention methods to tackle individual pupil attendance issues where the pupil's attendance rate is 86% and above. A referral to the Education Welfare Service should be made by the school when an individual's attendance falls to 85% or below over a six week period and there is no exceptional reason for this (i.e. the majority of the absence is unauthorised). However the school can refer a pupil to the Education Welfare Service should there be concerns for the individual's wellbeing with attendance above 85% or for Wellbeing Response Visits.

Head of Learning will be responsible for the strategic management of attendance across the school. They will scrutinise the data on a weekly basis, monitor trends and patterns across cohort of pupils, and evaluate interventions for their impact and effectiveness and direct resources for the best possible outcome.

Class Teachers and Teaching Assistants will be responsible for completing the session registers fully and accurately during every registration. This practice ensures good safeguarding processes, enabling the school to know where every pupil is at the start of all sessions and to commence the 'first day response' process if the pupil is not present. Class Teachers and Teaching Assistants will be expected to hold 'return to school' discussions with pupils after periods of absence to ascertain the reason and to understand if there are any barriers to the pupil fully engaging in their education or if they require any additional support.

14.3 The Education Welfare Service (EWS)

The principal function of the Education Welfare Service is to improve attendance in all schools and alternative education provisions across the local authority by supporting pupils and their families to overcome their barriers to engagement.

The service provides support to schools, pupils and their families to ensure regular attendance and address any difficulties relating to absenteeism. The Education Welfare Service works collaboratively with a range of support services and agencies and provides an essential link between home and school to ensure that pupils benefit from the educational opportunities available to them.

The service acts on behalf of the authority in its statutory enforcement capacity and is responsible for a number of related duties that include:

- the regulating and issuing of child employment and performance licenses for school age children and young people, and their chaperones;
- to investigate, locate and track children who are referred as "Children Missing from Education";
- to oversee the education needs of vulnerable pupils e.g. Gypsy Traveller families;
- to work in partnership with the Police in the arrangement and coordination of formal truancy operations in accordance with Crime and Disorder legislation.

14.4 Supporting Engagement into Education, Employment and Training Team

Some LA's have an Education, Employment and Training Team, or similar, who have a remit to work with young people up to the age of 25. The staff work closely with Careers Wales and the school to ensure the successful transition of young people who are at risk of disengaging from year 11 to post 16 education, employment and training.

14.5 Youth Service

The LA Youth Service will focus on working with young people aged 11 years and above to raise self-esteem, build confidence, support peer-to-peer working, to assist integration into education. The Youth service will support a young person to overcome social and emotional barriers they are facing that are preventing them from fully engaging in school life and may be limiting their attendance.

14.6 The Police

The Police take a fundamental role in Truancy Sweep initiatives. Police officers should be made aware of categories of children who may have a justifiable cause to be out and about during school hours, especially home-educated children and excluded pupils. The police should also be made aware of other relevant information such as school hours, school holidays, training days, and whether the area is frequented by children from other areas with different school holidays.

The police should be given names and known movement patterns of children known to be persistent non-attendees and, where appropriate their address.

It is recommended in the 'All Wales Attendance Framework' that the police officers operating the power to approach young people do so in uniform (due to child safeguarding concerns) and where practicable are accompanied by an education representative such as an EWO, who will be able to check the school status of the young person concerned.

Where appropriate the British Transport Police are brought into discussions in respect of problems, involving pupils congregating on the rail network.

During Truancy Sweeps there may be occasional cases in which suspected truants refuse to comply. In such cases, if the police officer has reasonable grounds for believing that the child or young person is absent from school without authority, the power under section 16 and section 8 will enable the officer to use such reasonable force as is necessary in the circumstances. Similarly, once the child is returned to the Designated Central Location or School where the suspected truants refuse to comply, the police officer has reasonable grounds for believing that the child or young person is absent from school without authority, the power under section 117 of the Police and Criminal Evidence Act 1984 enables an officer to use such reasonable force as is necessary in the circumstances.

As part of the local authority's Code of Conduct for tackling non-attendance at school, Police are able to request an FPN be issued to a pupil's family if they are found in a public place during school hours (truanting).

15. Attendance initiatives

The school and local authority will work closely together to raise the awareness of school attendance, promote good attendance and tackle unauthorised absence.

The school uses the Achieve! programme and daily registers to track and reward pupils who have excellent or improving attendance. Pupils receive Achieve! points at 30-minute intervals throughout the day, including the first lessons of the morning and afternoon sessions; therefore, consolidating the link between their attendance and their progress and achievements.

The school will work with the Education Welfare Service to undertake local authority initiatives such as the Wellbeing Response Visits, Meet and Greet sessions and target groups.

16. Categorisation of absence

All pupils who are on role but not present in the school must be recorded within one of these categories.

- Authorised Absence
- Unauthorised Absence
- Approved Educational Activity

Unauthorised absence

These codes are for those sessions where pupils were absent and no reason has been provided, or whose absence is deemed to be without valid reason.

Authorised absence

These codes are for those sessions where pupils are away from school for a reason that is deemed to be valid. Evidence may be requested to support the reason given (e.g. medical evidence, appointment cards, etc.)

Approved educational activity

These codes cover types of supervised educational activity undertaken off the school site but with the approval of the school and/or the LA, where the session has been supervised by an approved tutor.

This would include:

- Work experience placements
- Field trips and educational visits
- Sporting activities
- Link courses or approved education at another venue
- Education arranged by the Child and Adolescent Mental Health Service (CAMHS)

17. Dual Registration

Pupils who attend another school or unit will be dually registered at both venues. The enrolment status within the management information system (MIS) indicates the main place of education and which the subsidiary is. An example would be a pupil registered at this school but attending EOTAS provision or a pupil referral unit for certain days each week. The main school will be whichever the child attends for more than 50% of their time. The other will be the subsidiary.

The school or provision where the child is expected to attend is responsible for accurately recording the pupil's attendance and chasing up non-attendance. School will liaise with the other education provider on a daily basis in order to identify pupils who are absent for the session and mark the register accordingly.

18. Retention of records

Computer registers are preserved as electronic back-ups copies. Attendance regulations stipulate that attendance records should be retained for at least three years; however, it is good practice to extend this period in line with the education record retention schedule.

19. Register checks

The local authority will formally check the school registers on a termly basis to ensure there is compliance with the national legislation. It should be noted that registers are legal documents and it is an offence not to maintain accurate records.

20. Attendance targets

A system for analysing performance towards the targets has been established and the Head of Learning is responsible for overseeing this work. The school will make use of the attendance data available from the Consortium and the local authority when reviewing its targets and analysis of the outcomes in comparison with similar schools from across the region.

The Principal and Head of Care will present the attendance data in each of the termly reports to the Senad Group for the figures to be scrutinised against the attainment data. Senad Directors will have the opportunity to challenge the data alongside the practices for managing attendance, in order to tackle the overall absence rates across the school and within specific cohorts of learners.
