

Our Curriculum Outcomes 2025 2026

Young people in Key Stages 2, 3 and 4 completed work using the EQUALS schemes of work to prepare for their ASDAN Programme at Year 12 onwards. There is no end of Key Stage 4 test/examinations as our students are working below GCSE framework levels; we typically measure progress and attainment using the MAPP framework (1) and on BSquared/Connecting Steps (2).

Our KS5 curriculum continues to focus on preparation for adulthood skills, through continuation of the EQUALS curriculum, whilst students build their portfolio for the ASDAN Personal Progress Diploma (3) towards Entry Level. No young people are currently studying on our ASDANs Personal and Social Development Diploma (4) at Entry level 1 Level 2.
